

Homework 3

Spotify API

Using the Spotify API and the `spotipy` library, answer the following:

- In the following playlist of Eurovision 2021 Country submissions (found [here](#)) what song has the most energy? Dancability?
- Of the artists in this playlist, who has the song with the most energy? Dancability?

OpenFEC

Using only the `requests` library, answer the following:

- Print the top 30 results for Missouri Federal House and Senate candidates sorted by `candidate_id` as follows:
 - “Name - Party - District”
- Print the top 5 states that contributed to Democratic Presidential candidates in 2020 as follows:
 - “State - Amount”
 - Amount must have a dollar sign in front of it, along with appropriate thousands separators. You may use the `re` library to achieve this.
